

Appendix Three — Madrid Theatre Parking

General parking notes:

The Madrid has no parking lots that it can call its own. Of the City owned community parking lots noted on the map above, lots 644 and 707 are metered, 25 cents for each 15 minutes. Lots 674, 687, and 618 are free for two hours, and lot 725 is free for 72 hours, but it tends to be filled by patrons of the medical clinic next to it. On Sunday, all parking is free.
